CaringInfo, a program of the National Hospice and Palliative Care Organization (NHPCO), is a national consumer engagement initiative to improve care at the end of life.

#### **It's About How You LIVE**

*It's About How You LIVE* is a national community engagement campaign encouraging individuals to make informed decisions about end-of-life care and services. The campaign encourages people to:

- Learn about options for end-of-life services and care
- Implement plans to ensure wishes are honored
- Voice decisions to family, friends and health care providers
- Engage in personal or community efforts to improve end-of-life care

**Note:** The following is not a substitute for legal advice. While CaringInfo updates the following information and form to keep them up-to-date, changes in the underlying law can affect how the form will operate in the event you lose the ability to make decisions for yourself. If you have any questions about how the form will help ensure your wishes are carried out, or if your wishes do not seem to fit with the form, you may wish to talk to your health care provider or an attorney with experience in drafting advance directives. **If you have other questions regarding these documents, we recommend contacting your state attorney general's office.**

## Using these Materials

### BEFORE YOU BEGIN

1. Check to be sure that you have the materials for each state in which you may receive health care.
2. These materials include:
  - Instructions for preparing your advance directive, please read all the instructions.
  - Your state-specific advance directive forms, which are the pages with the gray instruction bar on the left side.

### ACTION STEPS

1. You may want to photocopy or print a second set of these forms before you start so you will have a clean copy if you need to start over.
2. When you begin to fill out the forms, refer to the gray instruction bars — they will guide you through the process.
3. Talk with your family, friends, and physicians about your advance directive. Be sure the person you appoint to make decisions on your behalf understands your wishes.
4. Once the form is completed and signed, photocopy the form and give it to the person you have appointed to make decisions on your behalf, your family, friends, health care providers, and/or faith leaders so that the form is available in the event of an emergency.
5. Wisconsin does not maintain an Advance Directive Registry. However, you may record your advance directive with the registry of probate in the county of your residence.
6. You may also want to save a copy of your form in an online personal health records application, program, or service that allows you to share your medical documents with your physicians, family, and others who you want to take an active role in your advance care planning.

## INTRODUCTION TO YOUR WISCONSIN ADVANCE DIRECTIVE

This packet contains a legal document, a **Wisconsin Advance Directive**, that protects your right to refuse medical treatment you do not want, or to request treatment you do want, in the event you lose the ability to make decisions yourself. You may complete Part II, Part III, or both, depending on your advance-planning needs. You must complete Part IV.

**Part I** contains a statutory notice that explains the significance of Part II, the Wisconsin Power of Attorney for Health Care.

**Part II**, The **Wisconsin Power of Attorney for Health Care**, lets you name someone, your “health care agent,” to make decisions about your medical care—including decisions about life-sustaining procedures—if you can no longer make your own health care decisions. The Power of Attorney for Health Care is especially useful because it appoints someone to speak for you any time you are unable to manage your own health care decisions, not only at the end of life.

Your Power of Attorney for Health Care goes into effect when your doctor and one other doctor determines that you are unable to receive and evaluate information effectively or to communicate decisions to such an extent that you lack the ability to manage your health care decisions.

**Part III**, The **Wisconsin Declaration to Physicians**, is your state’s living will. It lets you state your wishes about the withholding or withdrawal of life-sustaining procedures or of feeding tubes in the event that you enter into a persistent vegetative state or develop a terminal condition.

Your Declaration will go into effect when your doctor and one other doctor certify in writing that you are no longer able to make or communicate your health care decisions, and you have a terminal condition or are in a persistent vegetative state.

**Part IV** contains the signature and witnessing provisions so that your document will be effective.

Following your advance directive is a **Wisconsin Organ Donation Form**

This form only minimally addresses health care decisions for mental illness. If you would like to make advance care plans regarding mental illness, you should talk to your physician and an attorney about an advance directive tailored to your needs.

*Note: These documents will be legally binding only if the person completing them is a competent adult who is at least eighteen years old.*

## COMPLETING YOUR WISCONSIN ADVANCE DIRECTIVE

### How do I make my Wisconsin Advance Directive legal?

The law requires that you date and sign your Advance Directive or have an adult date and sign at your direction and in your presence. You must sign in the presence of two adult witnesses. These witnesses **cannot be**:

- related to you;
- entitled to, or have a claim against, any portion of your estate;
- directly financially responsible for your health care;
- your health care provider;
- an employee of your health care provider, other than a chaplain or a social worker;
- an employee of an inpatient health care facility in which you are a patient, other than a chaplain or a social worker; or
- your health care agent.

### Whom should I appoint as my health care agent?

Your health care agent is the person you appoint to make decisions about your health care if you become unable to make those decisions yourself. Your health care agent may be a family member or a close friend whom you trust to make serious decisions. The person you name as your health care agent should clearly understand your wishes and be willing to accept the responsibility of making health care decisions for you.

You can appoint a second person as your alternate health care agent. The alternate will step in if the first person you name as a health care agent is unable, unwilling, or unavailable to act for you.

Unless he or she is related to you, the person you appoint as your health care agent **cannot be**:

- your treating health care provider,
- an employee of your treating health care provider,
- an employee of a health care facility in which you reside or are a patient, or
- a spouse of any of the above.

### Should I add personal instructions to my Wisconsin Advance Directive?

One of the strongest reasons for naming a health care agent is to have someone who can respond flexibly as your health care situation changes and deal with situations that you did not foresee. If you add instructions to this document it may help your health care agent carry out your wishes, but be careful that you do not unintentionally restrict your health care agent's power to act in your best interest. In any event, be sure to talk

with your health care agent about your future medical care and describe what you consider to be an acceptable "quality of life."

### **What if I change my mind?**

You may revoke your *Wisconsin Advance Directive* at any time, by:

- defacing, burning, tearing, or otherwise destroying the document itself;
- signing and dating a written statement of your intent to revoke your Wisconsin Power of Attorney for Health care;
- expressing your intent to revoke your *Wisconsin Advance Directive* verbally in the presence of two witnesses (this revocation becomes effective only your doctor is notified of the revocation); or
- executing another *Wisconsin Advance Directive*.

If you appoint your spouse or registered domestic partner, and you obtain a divorce, the marriage is annulled, or the domestic partnership is terminated, the power of attorney for health care is automatically revoked.

### **Is there anything else I should know?**

If you are pregnant, you must initial the paragraph on page 6 of the form for Part II (Power of Attorney for Health Care) to be effective during your pregnancy. Part III (Declaration to Physicians) is not effective during your pregnancy.

Your health care agent does not have the authority to consent to:

- admitting or committing you on an inpatient basis to an institution for mental diseases,
- admitting or committing you to an intermediate care facility for the mentally retarded, a state treatment facility or a treatment facility,
- experimental mental health research or psychosurgery, or
- electroconvulsive treatment or other "drastic" mental health treatment procedures.

PART I

**PART I. NOTICE TO PERSON MAKING THIS DOCUMENT**

YOU HAVE THE RIGHT TO MAKE DECISIONS ABOUT YOUR HEALTH CARE. NO HEALTH CARE MAY BE GIVEN TO YOU OVER YOUR OBJECTION, AND NECESSARY HEALTH CARE MAY NOT BE STOPPED OR WITHHELD IF YOU OBJECT.

BECAUSE YOUR HEALTH CARE PROVIDERS IN SOME CASES MAY NOT HAVE HAD THE OPPORTUNITY TO ESTABLISH A LONG-TERM RELATIONSHIP WITH YOU, THEY ARE OFTEN UNFAMILIAR WITH YOUR BELIEFS AND VALUES AND THE DETAILS OF YOUR FAMILY RELATIONSHIPS. THIS POSES A PROBLEM IF YOU BECOME PHYSICALLY OR MENTALLY UNABLE TO MAKE DECISIONS ABOUT YOUR HEALTH CARE.

NOTICE

IN ORDER TO AVOID THIS PROBLEM, YOU MAY SIGN THIS LEGAL DOCUMENT TO SPECIFY THE PERSON WHOM YOU WANT TO MAKE HEALTH CARE DECISIONS FOR YOU IF YOU ARE UNABLE TO MAKE THOSE DECISIONS PERSONALLY. THAT PERSON IS KNOWN AS YOUR HEALTH CARE AGENT. YOU SHOULD TAKE SOME TIME TO DISCUSS YOUR THOUGHTS AND BELIEFS ABOUT MEDICAL TREATMENT WITH THE PERSON OR PERSONS WHOM YOU HAVE SPECIFIED. YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF HEALTH CARE THAT YOU DO OR DO NOT DESIRE, AND YOU MAY LIMIT THE AUTHORITY OF YOUR HEALTH CARE AGENT. IF YOUR HEALTH CARE AGENT IS UNAWARE OF YOUR DESIRES WITH RESPECT TO A PARTICULAR HEALTH CARE DECISION, HE OR SHE IS REQUIRED TO DETERMINE WHAT WOULD BE IN YOUR BEST INTERESTS IN MAKING THE DECISION.

THIS IS AN IMPORTANT LEGAL DOCUMENT. IT GIVES YOUR AGENT BROAD POWERS TO MAKE HEALTH CARE DECISIONS FOR YOU. IT REVOKES ANY PRIOR POWER OF ATTORNEY FOR HEALTH CARE THAT YOU MAY HAVE MADE. IF YOU WISH TO CHANGE YOUR POWER OF ATTORNEY FOR HEALTH CARE, YOU MAY REVOKE THIS DOCUMENT AT ANY TIME BY DESTROYING IT, BY DIRECTING ANOTHER PERSON TO DESTROY IT IN YOUR PRESENCE, BY SIGNING A WRITTEN AND DATED STATEMENT OR BY STATING THAT IT IS REVOKED IN THE PRESENCE OF TWO WITNESSES. IF YOU REVOKE, YOU SHOULD NOTIFY YOUR AGENT, YOUR HEALTH CARE PROVIDERS AND ANY OTHER PERSON TO WHOM YOU HAVE GIVEN A COPY. IF YOUR AGENT IS YOUR SPOUSE AND YOUR MARRIAGE IS ANNULLED OR YOU ARE DIVORCED AFTER SIGNING THIS DOCUMENT, THE DOCUMENT IS INVALID.

© 2005 National Hospice and Palliative Care Organization. 2017 Revised.

NOTICE  
(CONTINUED)

YOU MAY ALSO USE THIS DOCUMENT TO MAKE OR REFUSE TO MAKE AN ANATOMICAL GIFT UPON YOUR DEATH. IF YOU USE THIS DOCUMENT TO MAKE OR REFUSE TO MAKE AN ANATOMICAL GIFT, THIS DOCUMENT REVOKES ANY PRIOR RECORD OF GIFT THAT YOU MAY HAVE MADE. YOU MAY REVOKE OR CHANGE ANY ANATOMICAL GIFT THAT YOU MAKE BY THIS DOCUMENT BY CROSSING OUT THE ANATOMICAL GIFTS PROVISION IN THIS DOCUMENT.

DO NOT SIGN THIS DOCUMENT UNLESS YOU CLEARLY UNDERSTAND IT.

IT IS SUGGESTED THAT YOU KEEP THE ORIGINAL OF THIS DOCUMENT ON FILE WITH YOUR PHYSICIAN.

I desire that my wishes be carried out through the authority given to my health care agent under this document.

If I am unable, due to my incapacity, to make a health care decision, my health care agent is instructed to make the health care decision for me, but my health care agent should try to discuss with me any specific proposed health care if I am able to communicate in any manner, including by blinking my eyes. If this communication cannot be made, my health care agent shall base his or her decision on any health care choices that I have expressed prior to the time of the decision. If I have not expressed a health care choice about the health care in question and communication cannot be made, my health care agent shall base his or her health care decision on what he or she believes to be in my best interest.

2. The choices in this document were made by a competent adult. Under the law the patient's stated desires must be followed unless you believe the withholding or withdrawing of life-sustaining procedures or feeding tubes would cause the patient pain or reduced comfort and that the pain or discomfort cannot be alleviated through pain relief measures. If the patient's stated desires are that life-sustaining procedures or feeding tubes be used, this directive must be followed.
3. If you feel that you cannot comply with this document, you must make a good faith attempt to transfer the patient to another physician who will comply. Refusal or failure to do so constitutes unprofessional conduct.
4. If you know that the patient is pregnant, this document shall have no effect during her pregnancy.

## You Have Filled Out Your Health Care Directive, Now What?

1. Your *Wisconsin Advance Directive* is an important legal document. Keep the original signed document in a secure but accessible place. Do not put the original document in a safe deposit box or any other security box that would keep others from having access to it.
2. Give photocopies of the signed original to your agent and alternate agent, doctor(s), family, close friends, clergy, and anyone else who might become involved in your health care. If you enter a nursing home or hospital, have photocopies of your document placed in your medical records.
3. Be sure to talk to your agent(s), doctor(s), clergy, family, and friends about your wishes concerning medical treatment. Discuss your wishes with them often, particularly if your medical condition changes.
4. Wisconsin does not maintain an Advance Directive Registry. However, you may record your advance directive with the registry of probate in the county of your residence.
5. You may also want to save a copy of your form in an online personal health records application, program, or service that allows you to share your medical documents with your physicians, family, and others who you want to take an active role in your advance care planning.
6. If you want to make changes to your documents after they have been signed and witnessed, you must complete a new document.
7. Remember, you can always revoke your Wisconsin document.
8. Be aware that your Wisconsin document will not be effective in the event of a medical emergency. Ambulance and hospital emergency department personnel are required to provide cardiopulmonary resuscitation (CPR) unless they are given a separate directive that states otherwise. These directives, called "do-not-resuscitate orders," are designed for people whose poor health gives them little chance of benefiting from CPR. These directives instruct ambulance and hospital emergency personnel not to attempt CPR if your heart or breathing should stop.

Wisconsin law authorizes such orders. We suggest you speak to your physician if you are interested in obtaining one. **CaringInfo does not distribute these forms.**
